

**Smoking
Cessation**

Oct 7 Reno
Oct 8 Las Vegas
8:30-12:30pm
1/2 price workshop fee

Smoking causes more deaths per year than illegal drugs, alcohol, motor vehicle accidents, and murder combined. This smoking cessation treatment workshop will help clarify the “what, how, and when” of integrating smoking treatment into addiction recovery programs. Namely, what will help clients quit, how to implement effective treatment, and when to integrate smoking cessation into client treatment plans. Smoking cessation has many things in common with recovery from addiction to other substances. However, there are also unique issues in smoking cessation that will maximize client benefits.

**Understanding
the Court System
in Nevada**

Oct 19 Las Vegas
Oct 21 Reno
8:30 - 12:30pm
1/2 price workshop fee

This four hour course will introduce drug and alcohol counselors to the court system. The focus will be on court decision making and the importance of drug and alcohol assessments in the decision making process. Participants will also be introduced to specialty courts, juvenile court and special consideration in dealing with sexual offenders.

November

**Get your Message
Out!**

Nov 2 Las Vegas
Nov 5 Reno
8:30 - 11:30am
1/2 price workshop fee

Rural and Frontier communities may be “traditional” (TV, Radio, and Newspaper) media poor, but they are a gold mine for creative marketing channels. You will leave this training with at least 20 different hands on strategies to get your message out to the community and schools. Since many of these media strategies can be implemented with little to no cost, this training is for anyone from urban or rural communities looking for new cost effective ways to get your message out! We will include a strategy exchange, so please bring your creative ideas ready to share with your peers. This session will be a half day interactive training suitable for people in a broad range of prevention work (positive norms, healthy choices, alcohol, tobacco, drug, HIV, nutrition, obesity, preventable disease, etc.).

Locations: **Reno - UNR, WRB 1003**

Ethics & Confidentiality: An Update

Dec 8 Reno UNR, WRB 1003
Dec 9 Las Vegas, Embassy suites

**See Pg. 9
for details**

Ethics

Dec 17 Reno
Dec 18 Las Vegas

In this course, participants will discuss and practice resolving these and other ethical issues within the context of the ethical standards in the Nevada Administrative Code (NAC) 641C. These standards also will be compared to the ethical standards of other mental health practitioners and professional groups. This workshop includes the ethical code for licensed and certified alcohol and drug counselors, along with a review of NAADAC's ethical code.

- Take the pre-test and print it.
- Follow the directions for visiting websites.
- Complete reading assignments.
- Complete the writing assignments and print them.
- Take the post-test and print it.
- Return the coursework to CASAT for approval in the prepaid envelope. Do not submit pre/post-tests or modules separately. Do not e-mail them to the course instructor.
- Certificates will be issued when all paperwork has been submitted.*
- For those reporting contact hours earned from CD-ROM courses to the Nevada Board of Examiners for Social Workers, CD-ROM course work must be submitted to CASAT for approval within 30 days of original postmark.

CD-ROMs

Using Patient Placement Criteria (ASAM PPC-2R)

CD-ROM

☆ This is an introductory course. No prior background in ASAM PPC-2R is required.

Managed care companies, treatment providers, and program evaluators use patient placement criteria to ensure that clients are placed in the appropriate level of care. This course examines the patient placement criteria for clients with substance use disorders adopted by the American Society of Addiction Medicine (ASAM). Admission, continued stay, and discharge criteria for adults and adolescents will be reviewed. Case studies will be utilized to help participants in applying the principles of placement criteria.

ATTN: SAPTA Training

800 Haskell Street, Room 100

Reno, NV 89509

Allow 7 business days for processing

- Prepay a nonrefundable fee of \$75.00 per six-hour workshop. (No discounts or scholarships are available.)
- A refundable \$25.00 deposit is due for each tape. If paying by check, please write a separate check for \$25.00. We will return the check if the videotape is returned on time. If the tape is not returned on time (21 days after the original postmark), the deposit will be forfeited.
- If paying by credit card, we will charge your card the \$25.00 deposit if the tape is not returned on time (21 days after the original postmark).

How it works

A certificate will be issued when the DVD and paper have been returned to the casat office. Please allow seven business days for content review and processing.

- View the video.
- Write a three-page, typed, double-spaced paper summarizing the content of the workshop and the applicability to your work.
- Return the DVD and three-page paper in the prepaid envelope within 21 days of the original postmark.

Videotapes/DVDs

Club Drugs

VHS ONLY

This one-hour workshop describes the pharmacological actions of the club drugs Ecstasy, GHB, and Ketamine. It explains the effects of these drugs on the central nervous system, their toxicity, dependence profiles, and how these drugs change behavior.

- A one-page paper is due for this workshop
- Special rate for this videotape is \$30.00.

Instructor *Wilkie Wilson, Ph.D.*

CEHs *1*

Chronicity & Neurobiology

DVD ONLY

This workshop addresses two emerging topics critical to understanding addictions. The first part of the workshop is spent examining the underlying neurobiology of acute and chronic drug effects, such as changes on thinking, impulse control and judgment. The second half of the workshop explores the chronic disease model, and long-term addiction treatment strategies for best outcomes.

Instructor *Melissa Piasecki, M.D.*

CEHs *6*

Ethics

DVD

Updated DVD
Coming Soon

☆ This course can be applied to the 10-hour training requirement for clinical supervisors.

Alcohol and other drug treatment providers face many difficult and complex ethical issues. Issues involving dual relationships, scope of practice, and professional conduct frequently arise. These and other ethical issues will be compared to the ethical standards of other mental health professional groups within this course.

Instructors *Jenny Brenn, M.A., MFT, LADC*

CEHs *6*

Methodone & Other Pharmacological Approaches to Substance Abuse Treatment

VHS ONLY

A major focus of this course is the use of methadone in the treatment of opiate addiction. Research results of the success of this form of treatment, as well as the controversial aspects of methadone maintenance will be discussed. In addition, other pharmacological approaches to detoxification, withdrawal, craving reduction, and the use of these drugs in treatment will be presented.

Instructor *John Chappel, M.D.*
