## Learning Objectives (CME, CE, CPE)

- At the completion of this educational activity, participants should be able to:
  - Discuss the worldwide and US burden of chronic hepatitis B & C virus infection
  - Demonstrate an understanding of the various serum markers of HBV & HCV infection and their importance
  - Discuss the various treatment guidelines for chronic HBV & HCV infection
  - Integrate knowledge of HBV & HCV screening and to increase screening rates among populations at high risk with the goal of reducing spread of HBV & HCV and improving patient outcomes
