

Product Overview

Environmental Prevention Strategies, 8 CEHs.

Provides basic information about substance abuse prevention, with areas of emphasis in evidence-based environmental strategies and overcoming barriers to implementing environmental strategies. Hard-copy format, also comes with a resource CD-Rom (must have computer access). Short answer/essay.

Cultural Communities, 6 CEHs, with option to continue for 20 CEHs.

The goal is to increase the level of knowledge and obtain new tools to work effectively with diverse cultural communities and to create and/or implement a plan to begin work with another culture, including historical, economic, political, traditional, medical, diet, and religion issues. Hard-copy format. Textbook: Health Promotion in Diverse Cultural Communities: Practical Guidelines for Working in and with Diverse Cultural Communities. ISBN: 1-819552-147-0. Short essay.

Methamphetamine Prevention: An Inquiry, 10 CEHs, with option to continue for 16 CEHs.

Designed specifically for substance abuse prevention specialists who are interested in exploring resources that can inform their work in preventing methamphetamine use. Will guide students in a close examination of current knowledge and practices related to methamphetamine prevention. Hard-copy format, also comes with a resource CD-Rom (must have computer access). Multiple choice, short essay.

For more information, contact Julie Tieman, Training Coordinator, at (800) 268-0356 or distancelearning@casat.org.

CASAT works ardently to support technology transfer; information that is portable, products that are accessible, experiences that are practical.

Gift certificates are available. For more information contact our office at (775) 784-4177 or (800) 268-0356.

If reporting contact hours to the Board of Examiners for Social Workers in Nevada, homework is to be submitted to CASAT for approval 60 days after delivery. Please contact Julie Tieman for more information about adjustments for Nevada social workers.

Benefits of Distance Learning:
